B. People have control over their own behavior.

C. People cannot control the behavior of other people.

D. Behavior that cannot be controlled should not be punished.

E. People have control over behavior that is subject to capital punishment.

Six scientists A, B, C, D, E and F are to present a paper each at a one-day conference. Three of them will present their paper in the morning session before the lunch break whereas the other three will present in the afternoon session. The lectures have to be scheduled in such a way that they comply with the following restrictions:

B should present his paper immediately before C's presentation; their presentations cannot be separated by the lunch break. D must be either the first or the last scientist to present his paper.

A. First

B. Second Third

D. Fourth E. Fifth

Q: B could be placed at any of the following places in the order of presenters **EXCEPT**

Selfishness is a principal evil in our society. Every person is concerned with only himself. Personal advancement is the only motivating force in the world today. This does not mean that individuals are not willing to help one another, on the contrary, ---. However, these are only short-term occurrences, which ultimately serve our long-term goal of personal gain.

Q: Many people especially the experts in the field of forestry are against all forest fires. They demand that all forest fires show that in the long run, forest fires may in fact, be beneficial to the ecology as a whole. Among the following, which statement would logically follow from one of the observations referred to in the passage above?

- A. The reason of almost all forest fires is natural.
- B. Human beings try to extinguish the fire for gaining heat.
- C. Studies indicate that forest fires regularly occurred in the times prior to human occupation of forest areas.
- D. The animal and plant life destroyed by forest fires seldom represents endangered species.
- E. Occasionally, the small fire prevents a large scale fire by the accumulation of flammable materials.

Selfishness is a principal evil in our society. Every person is concerned with only himself. Personal advancement is the only motivating force in the world today. This does not mean that individuals are not willing to help one another, on the contrary, . However, these are only short-term occurrences, which ultimately serve our long-term goal of personal gain.

Q: Classical songs occupy a unique and peculiar position in every culture. They are

A. Are ignored by young generation B. Are an obstacle in the development in new tunes

C. Should be stored in museums.

D. Lose their distinctive features as time passes.

10

imperishable as cultural landmarks, but the emotions expressed in some of the folks are often superseded by newer tunes. However, the classics survive just as heritage, as imposing features of the society, yet unsuited for habitation unless remodeled. The principle point put forth in the above passage is that classical works

■. Need our respect and admiration even if their tunes and ideas they express are no longer current.

Nine Individuals – Z, Y, X, W, V, U, T, S AND R are the only candidates, who can serve on three committees labeled A, B and C.

Each candidate should serve on exactly one of the committees.

Committee A should consist of exactly one member more than that of committee.

A. 3 B. 4 C. 5

It is possible that there are no members of committee C. Among Z, Y and X none can serve on committee A. Among W, V and U none can serve on committee C. Among T, S and R none can serve on committee C.

D. 6

Q: In case T and Z are the individuals serving on committee B, how many of the nine individuals should serve on committee C?

Multan Institute of Higher Studies plans to show five educational films A, B, C, D and E to a group of students. The film shows are planned in an order, which conforms to the following conditions:

A. B is the film shown between A and

B. A is the film shown between B and

D. C. E is the film shown between A and

D. D is the last film shown. E. E is the first film shown.

B must be shown earlier than D.

A must be shown earlier than C.

11

12

13

14

E should be the fifth film shown. Q: In case exactly one film is shown between A and C, and exactly one film is shown between B and D, which among the following will hold true?

Selfishness is a principal evil in our society. Every person is concerned with only himself. Personal advancement is the only motivating force in the world today. This does not mean that individuals are not willing to help one another, on the contrary, ----

--. However, these are only short-term occurrences, which ultimately serve our long-term goal of personal gain.

Q: There is clear evidence that the mandated vaccination of children under age four has resulted in fewer child fatalities over the past fice years. Compared to the fiveyear period prior to the passage of laws requiring the vaccination, fatalities of children under age four have decreased by 30 percent. Which one of the following, if true, most substantially strengthens the argument above?

A. The fatality rate for other age groups has remained steady over the past five years.

C. Government has implemented a malaria control campaign last year D. Health conditions in the country are better than has been previously. E. Death rate of pregnant women has decreased.

Nine Individuals – Z, Y, X, W, V, U, T, S AND R are the only candidates, who can serve on three committees labeled A, B and C.

Each candidate should serve on exactly one of the committees.

Committee A should consist of exactly one member more than that of committee.

A. Z and Y

B. Z and W

C. Y and V D. Y and U E. X and V

It is possible that there are no members of committee C. Among Z, Y and X none can serve on committee A. Among W, V and U none can serve on committee C. Among T, S and R none can serve on committee C.

Q: In case T, S and X are the only individuals serving on committee B, the total membership of committee C should be:

Six candidates Ali, Amin, Omer, Hamza, Saleem and Osama are being interviewed for a job. The interview will take place over four consecutive days, starting on Thursday, Each candidate will have only one interview. The day on which the different candidates will interview must confirm to the following

(iii) No more than three interviews will take place on any two consecutive days

- (i) At least one interview will take place each day
- (ii) No more than two interviews will take place on any day

A. Ali R Amin

C. Omer Saleem

(iv) Ali's interview must take place on Saturday.

E. Osama

15

(vii) Omer's interview must take place on a day after Hamza's interview. Q: If only one interview takes place on Thursday which candidate could have that interview? Six scientists A. B. C. D. E and F are to present a paper each at a one-day conference. A First Three of them will present their paper in the morning session before the lunch break B. Second C. Third whereas the other three will present in the afternoon session. The lectures have to be 16 scheduled in such a way that they comply with the following restrictions: B should present his paper immediately before C's presentation; their presentations cannot be separated by the D. Fourth lunch break. D must be either the first or the last scientist to present his paper.Q: In case C E. Fifth is to be the fifth scientist to present his paper, then B must be Follow us to the real Pakistan leaving behind the disturbances of civilization. Real Pakistan is still inhabited by the eagle, the cow, the black deer, and tigers; it is still A. Men spend a lot of time on spacious, sprawling, and majestic. Experience the freedom and serenity still to be thinking about future found in -B. Science is the major hurdle in development Q: Our beliefs regarding the world cannot be certain. Even well confirmed scientific 17 C. Life in contingent so a man should not think about his future. theory is likely to change over a short period. If we do not try to understand, then it is D. Man is a social animal like to be away from the human race. Undoubtedly, life is worth living in other E. Men are different from animals on respects -- as it is no mean thing to be an animal. It is also true that a man wishes to the basis of their reasoning abilities see this speculative domain beyond his next breakfast. From the above discussion it can be concluded that the author believes that Nine Individuals – Z, Y, X, W, V, U, T, S AND R are the only candidates, who can serve on three committees labeled A, B and C. Each candidate should serve on exactly one of the committees. A. R Committee A should consist of exactly one member more than that of committee. B. Y 18 It is possible that there are no members of committee C. Among Z, Y and X none can D. T E. S serve on committee A. Among W, V and U none can serve on committee C. Among T, S and R none can serve on committee C. Q: In case, any of the nine individuals serves on committee C, which among the following could not be the candidate to serve on committee A? In a factory control room, there are three ON-OFF switches on the central control panel, labeled A, B and C. They are changed from default setting to a required setting based on the following rules: A. A ON, B ON, C ON. In case only switch A is ON in the default setting, then turn switch B ON. B. A ON, B OFF, C (C. A OFF, B ON, C OFF. 19 D. A OFF, B OFF, C ON. In case switches A and B are the only switches ON in the default setting, then turn E. A OFF, B OFF, C OFF. switch C ON. In case all the three switches are ON, in default setting, then turn the switch C OFF. For any other default setting, turn ON all switches that are OFF and turn OFF all switches, if any, that are ON. Q: In case, only switch B is ON in the second setting. Which of the following could have been the default setting? Four captains and the first mates of three of them were called to attend the annual meeting at head quarter. The captains were Luqman, Manzoor, Nauman and Osaf; the first mates were Ayesha, Durya and Gia. Each person in turn delivered a report to the chairperson as follows: A. M. A. N. G. O. L. D B. M, D, N, G,L,O, A Each of the first mates delivered their report exactly after her captain. The first 20 C. M, N, A,L, D, O,G captain to speak was Manzoor, and captain Nauman spoke after him. D. M, N, A, O, D, L, G E. M, N, G, D, O, L, A (Represent the person with first letter of his name) Q: Which of the following order of delivering report is not conformable with the conditions?

(v) Amin's interview must place on the same with another interview.

(vi) Saleem's interview must take place on the day before Osama's interview
