General Maths - 10th Class General Math English Medium Chapter 3 Short Question

Q1. Write the standard form of quadratic equation.

> **Ans 1:**

Q2.

> **Ans 1:**

Q3.

> **Ans 1:**

Q4. What are the methods to solve a quadratic equation?

> **Ans 1:** We can solve the quadratic equation by the following three methods:

> **Ans 2:** (i) Factorization

> **Ans 3:** (ii) Completing the square

> **Ans 4:** (iii) By quadratic formula

Q5.

> **Ans 1:**

Q6. What is meant by absolute value?

> **Ans 1:**

Q7. Define the linear inequality.

> **Ans 1:**

Q8. What is quadratic formula? When it is used?

Ans 1:

Q9.

Ans 1:

Q10.

Ans 1:
