

English - FA Part 2 English Chapter 3 Short Questions Test

Q1. Some boys have the ability but they fail. Why?

Ans 1: They are bright boys who consider college level an easy step, They become overconfident and do not work hard, They suppose that they can float through college with as little effort as they did though school, so they fail to make their mark at college, We have many such boys in the colleges of our country.

Q2. To what extent according to the writer does the question of health lead to failure of students at college?

Ans 1: An immense number of boys fail due to poor physical and mental health. They can not concentrate on the assigned tasks properly due to different diseases. The college authorities can avoid their failure if they have an adequate health service and a proper cooperation between the teaching staff and the college doctor.

Q3. According to the authors, there are some boys who fail because they do not try. Who are they? Can we help them?

Ans 1: There are some boys who fail because they do not try, They suffer from nervous habits, They can not sit at the desk and study properly. They waste their time in useless activities, We can not help them. They themselves are to get rid of it.

Q4. How do the nervous system habits become the cause of failure at college?

Ans 1: A boy with nervous habits fails to get through because he is not in the habit of doing his work with concentration. He thinks of the matter which are not connected with his studies, He started sharpening his pencils and thus wastes his time. He does not apply his mind to his lessons.

Q5. What is the duty of a college Dean according to the author?

Ans 1: His role is that of a physician to pinpoint the real cause of failure. He should have a diagnostic ability as a physician's. He can play his role effectively, if he saves the boys from failure which comes through their foolishness, sickness and sin.

Q6. How does financial pressure lead to the failure of a student described in the lesson? Do you have a similar case in your country?

Ans 1: Financial pressure leads to the failure of students because they themselves have to earn to meet their daily expenses. Their parents do not support them, it always has an adverse effect on their health and education, We have many similar cases in our country.

Q7. How can the failure of talented students be prevented?

Ans 1: Avoiding this failure is not easy. It involves an entire change of attitude and habits, This can be done by the boy himself only. The others can point out the problems. The boy should realize the mistakes.

Q8. How should the lazy bluffers be treated?

Ans 1: There are few lazy bluffers who do not find any serious interest in life and join college for just fun. Sometimes they learn a lesson and return to the first rate work. They should not be allowed to stay if they do not change their behaviour because one black sheep can contaminated the whole flock.

Q9. How can mistake ambitions be a cause of failure?

Ans 1: Mistaken ambitious for the boys on the part of their parents leads to the failure of the boys they follow a direction mapped out by their parents that run opposite to all of their interest and abilities, They are forced to study the subjects which they do not like, and as a result they fail.

Q10. How do the students suffering from nervous habits fail to get though?

Ans 1: No one can do anything in this regard, the student can himself uproot the nervous habits by cultivating balance and discipline in him.
